Choreography and Movement Composition for Performers:

Date: Tuesday 5th July

Times: 14.00 - 17.00

Location: The Old Electric, Springfield Road, Blackpool, FY1 1QW

This workshop will focus on the movement qualities of the performer, you will learn some of the fundamentals of choreography composition, utilising the stimulus effectively and the relationship between this and the product. Within the workshop you will learn a piece of choreography and then you be given the opportunity to recreate elements of the choreography to your own stimulus.
